IMPORTANT INFORMATION

First and foremost, we would like to wish you and your family good health.

As you know, due to the health crisis and under the declaration of the State of Alarm by the Spanish Government, we have been forced to close our establishments in Tenerife and Mallorca.

The situation, as hard and exceptional as the one we are going through, has brought many changes in rules and regulations, as well as many uncertainties.

We are developing new protocols to be able to guarantee your safety and the one of our staff. Therefore, we would like to inform you that our hotel will reopen its doors on October 22, 2020.

Guests who have reservations within the closing period, please contact us by e-mail: reservations-evc@europe-hotels.org, and we will help you as much as we can.

On behalf of the entire team of Europe Hotels International, we thank you for your trust.

We are waiting for you with a lot of illusion!

Thank you very much,

Hotel Villa Cortés Team
